

# Prescott Arizona fact sheet

- Great climate, with mild summer temperatures in the mid-eighties, and winter seeing occasional snow.
- Population of around 40,000, with about 80,000 in the quad-city area. Enough to give the small town feel, with many city amenities
- Many independently locally owned boutiques and businesses
- Rich in outdoor activities including many hiking trails through national forests,

kayaking, bike riding, fishing in one of four lakes, swimming in one of our community pools, four-wheeling, horseback riding and much more

- Our town offers a state of the art arena with ice skating and many live shows throughout the year

- We have two movie theaters, bowling alley, mall, beautiful town square with antique shops, clean air, low crime rate
- The Prescott square hosts many festivals throughout the year, including lights festivals, Tsunami on the square, crafting and more
- Residents often see the ample wildlife including deer, antelope, Osprey, Falcons, Eagles, Lynx, and Mountain Lions
- Great place to raise a family with many outdoor activities, low crime, and no pollution
