

ACORN MONTESSORI CHARTER SCHOOL

CHILDREN FIRST, ALWAYS

On-Site Support Application

Dear Acorn Montessori Parents and Guardians,

Here at Acorn Montessori Charter Schools, we understand the challenge the extended school closure has created for our families. We realize that many of our students require support during the day and we are planning to provide care for students that are in need. In order to adequately plan for a safe opportunity for on-site support of distance learning, you must complete the application below.

On-site support opportunities will NOT be teacher-led, direct instruction classroom environments. It will be a safe location for your child to complete their required virtual classroom assignments during the live online times. On-site support will begin on Monday, August 17th. We will contact you with the exact details of the location and the days of the week your child will be able to receive on-site support. **Times will be 7:45-12:45.**

The following protocols will be adhered to at all locations during on-site support days to ensure the health and safety of our staff and students.

- Face Masks will be required.
- Transportation will not be provided due to the inability to follow the physical distancing requirements.
- Desks will be spaced 6 feet apart and facing the same direction.
- Students will follow the 6ft physical distancing requirements from the department of health.
- There will not be teacher led instruction. A paraprofessional will monitor students completing their distance learning requirements in a computer lab type setting.
- Students will be scheduled to only attend specific days in order to adhere to the state health and safety requirements.
- Breakfast and lunch will be provided. (Please be sure that your lunch application has been submitted. If you do not qualify for free/reduced lunch, the cost is \$3.25 per day.)
- A COVID-19 waiver will need to be completed and signed for each student prior to attending the on-site learning opportunities.
- Students and staff will have a daily temperature check with a no touch thermometer prior to entry into any school building.
- Students must stay home if they are not feeling well and/or exhibiting any symptoms of COVID-19 (or any illness), if they have been exposed to COVID-19, or if they are in the process of being tested for COVID-19.

On-Site Support Application

Completing this form does not guarantee placement in onsite support. By signing this form, I understand and accept the protocols above.

Student Name: _____ Age: _____

Teacher's Name: _____ Grade: _____

My child has an IEP/504: YES NO

My child is an English Language Learner: YES NO

My child qualifies for free/reduced lunch: YES NO

Parent Name: _____

Parent Signature: _____ Date: _____

Notes: _____
