June	
1 2	Teacher Inservice- School Closed

* redlined dates represent time staff leave requests will not be approved due to upcoming breaks or pertinent times of the school year.

*Professional Development Days (1:00 Dismissal)

Throughout the school year, students will be released early from school, six times, so that teachers can participate in imperative and *required* professional development. During early release days, Acorn staff learn about instructional strategies, early childhood best practices, and ways to meet the needs of each student in class. Different areas of focus will revolve around health and safety, quality first preschool programs, trauma-informed care, early learning standards and their implementation, behavior management, connection and building relationships, learning through play, and more. Early release days offer professional development opportunities that teachers and staff need in order to meet the needs of their students, as well as state and school requirements.

**This is the tentative calendar for the 22-23 preschool school year. As events are added and the schedule needs to be adjusted, an updated schedule will be sent home to all families.
