ACORN MONTESSORI CHARTER SCHOOL

CHILDREN FIRST, ALWAYS

Dear Parents,

This handbook is our way of communicating the general information and expectations of our school. We ask that you take time to read this with your child to enhance their understanding about the school, expectations, procedures, and rules. There may be additional, important information for parents and students not included in this handbook and will be sent home throughout the school year as needed. Acorn Montessori Schools are governed by the Acorn Montessori Schools Governing Board.

Brief History:

Cynthia Johnson created Acorn Montessori Charter School in 2001. Mrs. Cynthia Johnson's training includes infant, toddler, primary, and elementary. Her foundation began in 1982 at Chapel of the Hills Montessori School in Sunland, California with teacher trainer, Bess Legge. Mrs. Cynthia attended the 6-9 elementary training in 1996 at the National Center of Montessori Education in San Diego, California. Mrs. Cynthia also received training in the "Willie George, Church on the Move" ministry in March of 2000 at The First Assembly of God in Phoenix, Arizona. With over eighteen years of classroom experience and training, it is Mrs. Cynthia's mission to provide quality Montessori infused schooling to the local community. The school depicts professionalism, sensitivity, and attentiveness toward students, parents, and colleagues.

Acorn Montessori Charter School is a Montessori/Traditional blend school that focuses on the strength of each child and meets them where they are academically. Each classroom meets AZ. state standards using rigorous curriculum and materials infused with Montessori ideology including hands on manipulatives, small group instruction, lower teacher to student ratio, differentiated instruction, integrated lessons, and project-based learning. Our warm and loving family environment provides each child with the love and joy of learning and allows and encourages each child to realize their fullest potential in all areas of life. Through Montessori principles and standards-based curriculum, students will develop their independence as well as their academic, social, emotional, cognitive, and physical skills.

ACORN MONTESSORI CHARTER SCHOOL

CHILDREN FIRST, ALWAYS

In accordance with **A.R.S. § 15-802**, every child between the ages of 6 and 16 is required to attend school during instructional hours unless otherwise legally excused. **Per A.R.S. § 15-901(A)(1)** and ADE guidelines, the following are recognized as **excused absences**:

- Illness (aligned with Acorn's Health & Illness Policy)
- Doctor or dental appointments
- Mental or behavioral health needs
- Homelessness
- Bereavement
- Family emergencies
- Time necessary to process for the armed forces
- Out-of-school suspensions
- Religious purposes¹

Absences not meeting the criteria above may be considered **unexcused**.²

Withdrawal After 10 Consecutive Unexcused Absences

In accordance with **A.R.S. § 15-901(A)(2)(b)(i)** and district policy, **a student will be automatically withdrawn from enrollment** if they accumulate **10 consecutive unexcused absences**. This action is mandated by the state and is not at the discretion of the school. If your child is withdrawn due to absences, you must re-enroll and provide necessary documentation for re-admission. Space is not guaranteed.

Reporting Absences

Parents/guardians must report all absences by calling our **24-hour Attendance Line at 928-458-7955**. If you receive an automated call about an unreported absence, you have **1 business day** to contact the school to excuse it. After that window, the absence may be permanently recorded as **unexcused**.

Attendance Expectations and Monitoring

To ensure success, the following practices are expected from all students and families:

- **Arrive on time every day** school is in session.
- **Provide a doctor's note** for any medical-related absences, tardies, or early dismissals.
- Only keep students home if they are actively vomiting or have a **fever over 100.4°F**—these also require a doctor's note.
- If excessive absences negatively impact academic progress, **tutoring may be required** and retention will be considered.

Tardiness

Tardiness disrupts the classroom and sets a poor precedent for punctuality.

- If you notify the office in advance of a tardy, it will be marked as excused.
- Repeated unexcused tardies may result in a conference with school staff.

Early Dismissals

We strongly encourage families to schedule appointments outside of school hours.

- Advance notice is required for all early pickups.

¹ Per district policy, absences may be excused for religious purposes, including participation in religious exercises or religious instruction, provided a parent or legal guardian gives written consent and notice in advance. Any religious instruction or exercise must take place at a suitable place away from school property designated by the church or religious denomination or group.

² District approved family vacation: Vacation time should be planned during school holidays and breaks. In the event of special circumstances, family vacations may be excused with an approved pre-arranged absence request completed by the parent or legal guardian and received a minimum of 72 hours before absence.

ACORN MONTESSORI CHARTER SCHOOL

CHILDREN FIRST, ALWAYS

- Students may not be released within the final 15 minutes of the school day without prior approval.

Attendance Monitoring Process

Our goal is always to partner with families early to prevent chronic absenteeism. The following steps will be taken:

- **5 Days/Periods Absent:**
A letter will be sent home, and an email will be sent via ParentVue to highlight attendance expectations.
- **10 Days/Periods Absent:**
You will receive a second letter and email, and a phone call or conference may be scheduled to discuss support and solutions.
- **15 Days/Periods Absent:**
A formal conference will be scheduled to address ongoing attendance concerns and discuss a support plan moving forward.
- **18 Days/Periods Absent:**
Chronic absenteeism will be documented, and we may need to refer the case to the Yavapai County Juvenile Probation Office for additional intervention.

Withdrawal from School:

We ask parents to notify the school office at least two days prior to the student's last day of attendance. All school materials loaned to the students are to be returned at that time. Parents are expected to pay for items that are lost or damaged before the student's last day attended. Records will be forwarded to the new school within ten days of records request.

School Hours:

- Students may arrive on school property after 7:30 a.m. At that time, students are to go to their classroom for breakfast, if needed, and then complete tasks as assigned by their teachers. Students have until 8:00 a.m. to eat breakfast for students in 2nd- 8th grade, and until 8:15 for students in K-1. All students are to be in class by the official school starting time, 8:00 a.m. for 2- 8th grades, and 8:15 for K-1.
- School is dismissed promptly at 2:30 for kindergarten, 2:45 for 1st grade, and 3:00p.m. for 2nd-8th grade. Students are expected to leave the campus immediately by school van or parent arranged transportation, unless they are attending an organized school function that parents have given permission to participate in. Parents are to make alternative arrangements for younger siblings who are not eligible for participation.

Early Release Days:

Each Friday throughout the school year is an early release day. Early release days are imperative for staff professional development, staff meetings, parent conferences, and other school related events. On early release Fridays, students in K-3 are released at 1:15 p.m. while students in 4-8 are released at 1:30. Please see the attached calendar for other early release dismissal days.

Acorn Montessori Charter School operates on a 180-day school day schedule. A school calendar of closures, early releases, and holidays is attached. A revised schedule will be sent home in the instance changes need to be made.

- Snow Delays-Acorn Montessori Charter School follows the Humboldt Unified School District schedule for snow delays and snow closures. If a snow delay is called, school will open two hours later (10:00). All calls will go out to the main contact number on file in the office. An update and decision will also be posted on Acorn's social media accounts.
- Snow Closures - Acorn Montessori Charter School follows the Humboldt Unified School District schedule for snow closures. In the event of a snow day, school will be closed and no services or programs will be provided. All calls will go out to the main contact number on file in the office. Updates will also be posted on Acorn's social media accounts.

Look for an additional letter to be sent home to parents in the fall with additional details regarding emergency school closings and delays.

Phone Use:

Students are not permitted to use cell phones to receive or make personal phone calls from school, except in the case of an emergency. If there should be a family emergency, we will get a message to your child and have them call you as soon as possible from the school phone. Only in an extreme circumstance will we ask the student to take a call during classroom time. All plans for transportation should be made prior to the start of school to avoid confusion for the child and to reduce office disruptions.

Student Conduct:

- Positive Reinforcement & Consequences:
 - The ultimate goal of all classrooms is to revolve around positive feedback and redirection, rather than negative behavior and consequences. We strive to teach students how to control their own behavior and make decisions that reflect their very best selves through accountability.
 - Through room arrangement, classroom space, consistency in scheduling, relationship building, and the teaching of recognizing feelings and self-regulation, students will feel safe to communicate and express their frustrations and how to work through them.
 - As students struggle with self-regulation, they may require additional support such as one on one time with the teacher, removal of a specific activity, moving seats, going for a walk, and solution based activities.
 - At Acorn Montessori Charter School, we focus on fostering social-emotional development and responding to challenging behaviors by incorporating positive learning environments that focus on prevention, encouraging partnerships to support healthy development, and ensuring fairness, equity, and continuous improvement to support children's social, emotional, and behavioral health.
- Children will not be subjected to the following techniques:
 - Excessive time outs
 - Missing recess as punishment
 - Verbal abuse or negative comments
 - Spanking or hitting
 - Confining

- Behavior & Suspension/Expulsion Policy
 - Acorn Montessori Charter School supports the research that high-quality schools are imperative in preventing suspensions and expulsions in the classroom setting. We are responsible for creating positive discipline practices and policies before considering expulsion or suspension from our program.
 - Acorn is committed to teaching principles of good citizenship and helping students acquire socially acceptable behavior. The school will provide a safe, effective learning environment to meet the needs of its students. Parent involvement and student cooperation are vital.
 - Acorn is dedicated to establishing reasonable consequences that will help students identify inappropriate behavior and work toward more positive personal actions. When corrective actions fail and the behavior of a student interferes with the rights of others, parents are contacted, and other disciplinary actions are taken. All faculty and staff enforce discipline with compassion, fairness, and consideration to grade level of the child.
 - Students who willfully inflict harm on another child, destroy property, refuse to follow reasonable requests or bring items to school that threaten the safety and well-being of the school will receive a formal discipline referral and be assigned appropriate consequences. Referrals must be signed and returned the following day; otherwise, an after-school detention may be issued by the principal.
 - Acorn Montessori Charter School works cooperatively with all law enforcement agencies to ensure the safe, effective operation of our school.
 - Our school discipline program places the responsibility for appropriate behavior by the student on the student. Each class establishes a few reasonable rules that all students are expected to always follow. Students receive appropriate consequences for rule infractions. Our special student recognition programs promote and reinforce responsible choices. Teachers and staff rely on parents/guardians to support classroom and school wide rules. The faculty and staff want to work cooperatively with every family to quickly and fairly address any behavioral problem that may arise to decrease the chances of it occurring again.
 - School personnel are required to report any suspected crime against a person or property that is a serious offense as defined in section 13-706 or that involves a deadly weapon or dangerous instrument or serious physical injury and any conduct that poses a threat of death or serious physical injury to an employee, student or other person on the school property. Employees must document and report the conduct, including specifying the employees responsible for making a report to the administration and HR as well as the local law enforcement agency pursuant to section 15-341, subsection A, paragraph Acorn Montessori School will also notify the parent or guardian of each student who is involved in a suspected crime or any conduct that is described in subsection A of this section, subject to the requirements of federal law.
 - Please see the attached additional information on our bullying and harassment policies.

Community Service:

Parents will be notified in advance if their child has been assigned to community service for misconduct. The notice will indicate time, date, and the reason the child will serve. Parents are required to sign the detention slip and send it back to school the following day. Failure to return the discipline/detention form will result in more

severe consequences. When a child is assigned community service, parents are responsible for providing transportation from the school, if necessary.

Search and Seizure

Students possess the right of privacy of person, as well as freedom from unreasonable search and seizure of property. This individual right, however, is balanced by the school's responsibility to protect health, safety, and welfare of all students.

- School administration may conduct or authorize searches when they have reason to suspect students may be in danger. General searches may be conducted at any time when there is reasonable cause for school employees to suspect dangerous or illegal items may be on school property. The search may be conducted without the student being present. Illegal items (firearms, explosive devices, weapons, drugs) or other possessions reasonably determined to be a threat to the safety of others shall be seized by school employees and a report made to proper authorities.

Criminal Offences

In the event a student has in their possession a deadly weapon, illegal substance, or violates local, state or federal law, the school will contact appropriate law enforcement authorities.

General Conduct:

Rules for common areas such as playground and public areas are consistent with classroom expectations. The basic rules reinforce our schoolwide rules of "Be safe, be respectful, and be responsible."

Due Process

In all cases of discipline, suspension, expulsion or legal action, the student has the right to know why the action is being taken, the right to be heard, and the right to a fair hearing. A copy of the student suspension/expulsion/due process rights policy is available in the attachment.

Dress Code:

Student dress shall always be appropriate. Students are encouraged to wear clothing that is appropriate for the day's weather and activity. Closed-toed shoes worn with socks are best for our school environment. Please note that your child is to dress appropriately for physical education classes as scheduled. Any student's dress or personal appearance that detracts from or interferes with the learning process or environment will be considered inappropriate. Please see the attached dress code policy.

Toys and Valuables at School:

To maintain the educational focus each day, we request that students not bring iPod, phones, ear buds, video games, or any electronic equipment to school. Cell phones are not permitted to be used on campus. Each classroom has a plan in place for the collection of cell phones at the start of the day and return at the conclusion of the school day. In addition, other toys and/or trading cards should be kept at home. These items are expensive and have created unnecessary disruptions to the educational environment. The school will not be responsible for lost, damaged, or stolen items brought to school by the student.

Food and Nutrition:

For the 2024-2025 school year all breakfasts and lunches are free.

Your child has the option of bringing lunch. We suggest that all sack lunches include high protein, and low sugar treats so that our students may perform to the best of their ability all day long. We have a "no soda" policy. Soda will be confiscated by classroom staff and returned to the student at the end of the school day.

Lunch & Recess Procedure:

1. Classroom teachers escort students to the restroom for hand washing.
2. Classroom teachers will supervise students while in line waiting to receive their lunch.
3. Students must wait quietly and courteously and follow the direction of the staff members on duty.
4. Once seated, students are to remain in their seat. Students will raise their hands when they have a question, need or problem.
5. Students will be expected to use appropriate table manners and inside voices while eating.
6. Students will clean the area around their table and seats before being allowed to leave the classroom for recess.
7. Students may not take food or drink out of the classroom.
8. Students will be escorted to the playground by a staff member.
9. Students will be expected to follow appropriate general conduct guidelines while on the playground.

Student Breakfast Schedule:

Breakfast will be served from:
7:30 to 8:00/8:15a.m. daily

Student Lunch Schedule

We rotate grades. Your student will be notified of their scheduled lunch period.

Health Records:

The school Office Manager establishes and maintains a health record for each student. The health record contains immunization status, screening results, health history, and other information.

Emergency Information:

- It is vital to keep student information current. Annual updated emergency medical information forms (EM) are to be completed for each child in the family. The update will ensure the school's ability to facilitate medical interventions should your child ever need care. You are also asked to provide school personnel with current information so that you can be reached in the event of an illness or injury.
- The following information must be provided on the emergency form, and should be updated as changes occur:
 - Current home address and telephone numbers (including cell phone numbers).
 - Place of employment and phone number of both parents/guardians.
 - Name, address and phone number of person(s) responsible for the child in the event parents cannot be located immediately if an emergency occurs.

Medical conditions such as diabetes, epilepsy, cardiac disease, asthma, and allergies are some of the diseases that should be noted on health records and discussed with the school office.

Administering Medication at School:

If it is necessary for a student to take over the counter or prescription medication during school hours, the office may administer the medication when the following requirements are met:

Prescription Medications:

- The law (A.R.S. 15-344) requires medication to be delivered to the office by a responsible adult and not the student. Medication must be in the original container prepared by the pharmacist.
- The prescription label must bear the student's name, current date, and name of medication, dosage, and time to be given.
- It is recommended that no more than a 30-day supply is maintained at school.
- A form will need to be completed by the parent giving permission for school personnel to administer the medicine to your child.
- Medication brought in by a student will be confiscated until appropriate releases are completed. To aid in the effective administration of your child's medicine, please ask your pharmacist for a separate prescription bottle for school.
- Inhalers should come with containers that has the pharmacy label.

Other Medication Information:

On occasion, an over-the-counter medication/first aid treatment may be needed. The office/classroom staff will check the students' emergency form before administering any to your child.

Non-Prescription / Over the Counter Drugs:

- The law (A.R.S. 15-344) requires medication to be provided and delivered to the office by a responsible adult and not the student.
- Medication must be in the original container as packaged by the manufacturer and labeled with the student's name.
- A form will need to be completed by the parent giving permission for school personnel to administer the medicine to your child.
- A physician/dentist will need to provide the parent with a written order for the medication or fax the physician's order (just like the information on a prescription) to the school office.
- The dosage must be in keeping with the manufacturer's recommendation, printed on the label. Inhalers may be kept in student's backpack, desk or given to classroom teacher.
- Must be in the original container as packaged by the manufacturer and labeled with the student's name.

Immunizations:

- To help protect your child, State Law (A.R.S. 15-872) requires immunizations against Diphtheria, Tetanus, Pertussis, Measles, Mumps, Rubella, polio, Hepatitis B, and Varicella to attend school.
- All children attending need to provide documentation of immunizations received.

ACORN MONTESSORI CHARTER SCHOOL

CHILDREN FIRST, ALWAYS

- Upon attendance, the school administrator shall suspend any pupil with undocumented proof of immunizations. (A.R.S. 15-873) An exemption will be granted for medical or personal beliefs. Please see page 3 for allowances and exceptions.
- The law does not allow parents or guardians to claim exemption simply because a record is lost or incomplete.
- In the event of a disease outbreak, your child may be excluded from attending school.
- Should you have questions regarding immunizations, please contact your doctor, health department, or our school.
- Any updated immunizations your child receives during the school year, or over the summer should be communicated to the school so your child's records can be updated.

Health Policy: (see additional attachment)

Our health policy has been developed with the primary concern focused on the wellbeing of your child, the students and staff in the classrooms, and within the strict requirements of the State of Arizona Department of Health Services. Acorn Montessori realizes a sick child can place hardship on work schedules. However, parents should have a plan prepared in case of a sick child.

- Over the Counter and/or Prescription medication should not be given to students prior to drop off whose sole purpose is to lower fevers or reduce symptoms of illness.
- Parents are expected to pick up their child immediately upon notification when their child is, or may be, contagious or too ill to be at school. State law requires your child be picked up within one hour of notification.
- Should your child exhibit any of the following symptoms, we ask that they remain home from school for 24 to 72 hours symptom free depending on illness: congested wheeze, excessive nasal congestion or green mucous, rash, conjunctivitis (pink eye - your child cannot return to school until symptoms have subsided or antibiotic drops have been given for at least 24 hours), vomiting, diarrhea, or fever (24 hours after the temperature has returned to normal) and symptoms are gone, chicken pox (your child cannot return to school until the pox sores have completely scabbed over).
- We ask that parents notify us immediately upon learning their child is contagious.
- Allergies and special health needs are noted in enrollment packets and are posted for staff to reference as needed.
- More detailed information on the Health Policy can be found attached at the end of this document.

Health Screening:

Vision/Hearing screenings will be done on all students in kindergarten, 1st and 4th grades. Screenings will be done on all new students, students repeating a grade, and students in special services. Testing will also be done on any student at parent or teacher request.

Emergency First Aid or Illness:

The teacher or a member of the office staff may administer emergency first aid. If a student is seriously injured and needs medical attention, 911 may be called. The parents will be contacted and advised. When the parent cannot be located, the school will exercise its legal option to act in the place of the parent and secure emergency treatment.

Lost and Found:

Lost and found items are kept in the hallway storage area. It is helpful if parents label their child's belongings. Please check for lost items on a regular basis. Clothes not claimed are periodically donated to local charities.

Student Records and Performance:

Student records are maintained according to law and Acorn policy. Parents or legal guardians are allowed to examine the records if a school official is present, but they may not be removed from the school without permission of the principal. Copies of the records may be given to authorized persons. With written permission from the parent of guardian, these records may be transferred to another school or agency. Records that will be transferred to other school/agencies will include but not limited to: Birth Certificates, immunization records, and behavior reports, progress reports/report cards, attendance reports, IEP/504 plans and custody/court papers (If applicable).

Curriculum and Instruction:

The Arizona Department of Education has determined the education standards taught at Acorn Montessori Schools. The Acorn Montessori School District has adopted content curriculum goals and objectives at each grade level, which are aligned to the Arizona State Standards. Curriculum is reviewed annually through data, assessments, surveys, observations, and staff and parent input.

Regular instruction is given to all students of grades K through 8th in English Language Arts, Writing, Mathematics, Social Studies(Holocaust and other genocides are taught in 7th and 8th graded as required by ADE), Science, Health/P.E., Fine Arts, and Computer. Various assessments are administered throughout the year to monitor students' progress. Students in 3rd through 8th grade are required to take state standardized tests in April.

Homework Guidelines:

Homework at Acorn Montessori Schools will be utilized for such purposes as:

- o completing regular classroom assignments.
- o reinforcing the learning of basic skills.
- o making up work missed during absences.

The purpose of homework is to reinforce learning. You are your child's first and most important teacher. Your interest in their daily school lessons and activities is vital.

Make Up Work:

Students will be given a reasonable amount of time to make up the schoolwork they missed. Check with your child's classroom teacher. If a child is absent for two or more days, please arrange to pick up the child's assignments after school by calling the school office on the morning of the day it is to be picked up. When absences for extended periods of time can be foreseen, parents should notify the school office at least 24 hours in advance so that the teacher will be able to gather materials and assignments that will be needed. Students assigned out-of-school suspension will be required to make up all class assignments.

Progress Reports/Report Cards:

The school year consists of four 9-week reporting periods. Students will receive mid-term progress reports throughout the year. Report cards are distributed at the end of each reporting period. Parents are urged to contact the teacher

- In March/April, our students take a state mandated tests (AASA and **AIMS**). These tests are taken by students from across the nation. Our students' scores are sometimes compared with other students in our State and Nation. The students' scores are one indicator of the level of our performance as a public-school institution.

Wellness Policy:

Acorn Montessori Charter School has a Wellness Committee that meets and prepares an action plan for promoting the development and maintenance of healthy lifestyles for all children in Acorn schools. These documents provide recommendations and directions for improving the nutrition and fitness of the student population. Breakfast and lunch menu changes will be part of a broad effort to improve student nutrition and health. A second component will address the type and quantity of food consumed during the school day and at school sponsored events.

Classroom parties/school events during the School Day:

- Birthdays can be celebrated with a special snack from home. Please give notice to the classroom teacher one day in advance to allow planning time.
- Foods prohibited at classroom parties and other school events during the school day include candy, soda, and store bought items that have sugar listed as the first ingredient.

After-School Activities

Intramural sports are an integral part of our school program. Parents must give written consent and provide evidence of insurance in order for students to participate. Students who are receiving a failing grade in any subject will not be allowed to participate in any extracurricular activity, including sports. Students must maintain a "C" average to participate, with no grade of a "D" or "F" in any core subject or no grade of an "F" in any non-core subject. Students will be placed on academic probation for a minimum of 1 week before returning to practice or games after being suspended due to substandard grades. Students are not permitted to stay after school for any sports or extracurricular activity unless they are participating in the sport. This includes practice times, as well as actual games and/or meets.

Acorn's Charge for Tax-Credit Money!

This state program is a wonderful way to support your child's school. The monies used are directly towards programs that are above and beyond our everyday curriculum. Currently, we support our tutoring, athletics, after school clubs, extensive field trips, and assembly opportunities via the funds generously donated. The great part about the state's program is that it provides both the sponsor and school with a win-win situation. The money that is pledged to a school is entirely tax deductible. When filing your state taxes, this donation is counted as a credit rather than the normal deduction. Your entire amount will come back to you dollar for dollar on your tax return. If you find that you owe the state money, your amount donated will be applied to your state debt dollar for dollar. In essence, the state is allowing communities to raise money for schools and offering full reimbursement via tax refund. Think about it like a rebate in a store. You put the money up front to sponsor a program, do your taxes and the money is 100% returned. You have then supported the school through providing additional revenue for extracurricular events and enriching the lives of hundreds of kids at no cost to you! You can't go wrong! So, support your schools! Come by the finance office to drop off your donation, get your receipt, and know that you went above and beyond in supporting your local school. We appreciate the opportunity to provide a quality education to the valued families in our service area!

Directory Notification:

The Family Educational Rights and Privacy Act (FERPA) law requires that Acorn Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Acorn may disclose appropriately designated "directory information" without written consent, unless you have advised the schools of the contrary in accordance with Acorn procedures. The primary purpose of directory information is to allow Acorn to include this type of information from your child's education records in certain school publications.

Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor Roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories- names, addresses, and telephone listings- unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

Acorn Student School Supply List:

Student supply lists are available in their classroom and also are included in our Summer Mailing each year. Each class/grade provides their own individualized list.

Anti-Harassment Policy:

Acorn Montessori Charter School is committed to providing all students with a safe and supportive school environment. Members of the school community are expected to treat each other with respect. Teachers and other staff members are expected to teach and to demonstrate by example that all members of the community are entitled to respect.

Harassment of a student by another student or by a teacher or other staff member is a violation of school policy. This includes (but is not limited to) harassment based on race, national origin, marital status, sex, sexual orientation, gender identity, religion, or disability. Punishable harassment is conduct, including verbal conduct, (1) that creates (or will certainly create) a hostile environment by substantially interfering with a student's educational benefits, opportunities, or performance, or with a student's physical or psychological well-being; or (2) that is threatening or seriously intimidating.

Sexual harassment is a form of harassment that also violates school policy. Punishable sexual harassment is an unwelcome sexual advance or sexual conduct, including verbal conduct, (1) that is tied to a student's educational benefits, opportunities, or performance, or to a student's physical or psychological well-being; (2) that creates (or will certainly create) a hostile environment by substantially interfering with a student's educational benefits, opportunities, or performance, or with a student's physical or psychological well-being; or (3) that is threatening or seriously intimidating.

To prevent harassment in the first instance, staff members should teach: why harassment is wrong and teach that tolerance and respect are essential to a free society. In response to an act of harassment, staff members should intervene immediately to stop the harassment and, if appropriate, should punish the harassment promptly, consistently, and proportionately to the seriousness of the act. But the response should not end there; rather, staff members should deter future harassment with continuing lessons to tolerance and respect.

Note: Schools develop and publicize rules that explain how harassment can be reported and how reports of harassment will be handled. In some cases, schools are required to do so by federal law. These rules should require staff to report harassment to a designated; and, to the extent possible, should protect the confidentiality of anyone who is involved in a report of harassment. See attached.

Attendance Policy

At Acorn Montessori School, we believe that consistent attendance is foundational to student success. Together, with your partnership, we aim to foster a culture that values punctuality, commitment, and daily learning. Regular school attendance is not only essential for academic growth but also required by Arizona State Law.

Arizona Attendance Law

In accordance with **A.R.S. § 15-802**, every child between the ages of 6 and 16 is required to attend school during instructional hours unless otherwise legally excused. **Per A.R.S. § 15-901(A)(1)** and ADE guidelines, the following are recognized as **excused absences**:

- Illness (aligned with Acorn's Health & Illness Policy)
- Doctor or dental appointments
- Mental or behavioral health needs
- Homelessness
- Bereavement
- Family emergencies
- Time necessary to process for the armed forces
- Out-of-school suspensions
- Religious purposes¹

Absences not meeting the criteria above may be considered **unexcused**.²

Withdrawal After 10 Consecutive Unexcused Absences

In accordance with **A.R.S. § 15-901(A)(2)(b)(i)** and district policy, **a student will be automatically withdrawn from enrollment** if they accumulate **10 consecutive unexcused absences**. This action is mandated by the state and is not at the discretion of the school. If your child is withdrawn due to absences, you must re-enroll and provide necessary documentation for re-admission. Space is not guaranteed.

Reporting Absences

Parents/guardians must report all absences by calling our **24-hour Attendance Line** at **928-458-7955**. If you receive an automated call about an unreported absence, you have **1 business day** to contact the school to excuse it. After that window, the absence may be permanently recorded as **unexcused**.

Attendance Expectations and Monitoring

To ensure success, the following practices are expected from all students and families:

- **Arrive on time every day** school is in session.
- **Provide a doctor's note** for any medical-related absences, tardies, or early dismissals.
- Only keep students home if they are actively vomiting or have a **fever over 100.4°F**—these also require a doctor's note.
- If excessive absences negatively impact academic progress, **tutoring may be required** and retention will be considered.

¹ Per district policy, absences may be excused for religious purposes, including participation in religious exercises or religious instruction, provided a parent or legal guardian gives written consent and notice in advance. Any religious instruction or exercise must take place at a suitable place away from school property designated by the church or religious denomination or group.

² District approved family vacation: Vacation time should be planned during school holidays and breaks. In the event of special circumstances, family vacations may be excused with an approved pre-arranged absence request completed by the parent or legal guardian and received a minimum of 72 hours before absence.

ACORN MONTESSORI CHARTER SCHOOL

CHILDREN FIRST, ALWAYS

Tardiness

Tardiness disrupts the classroom and sets a poor precedent for punctuality.

- If you notify the office in advance of a tardy, it will be marked as excused.
- Repeated unexcused tardies may result in a conference with school staff.

Early Dismissals

We strongly encourage families to schedule appointments outside of school hours.

- Advance notice is required for all early pickups.
- Students may not be released within the final 15 minutes of the school day without prior approval.

Attendance Monitoring Process

Our goal is always to partner with families early to prevent chronic absenteeism. The following steps will be taken:

- **5 Days/Periods Absent:**
A letter will be sent home, and an email will be sent via ParentVue to highlight attendance expectations.
- **10 Days/Periods Absent:**
You will receive a second letter and email, and a phone call or conference may be scheduled to discuss support and solutions.
- **15 Days/Periods Absent:**
A formal conference will be scheduled to address ongoing attendance concerns and discuss a support plan moving forward.
- **18 Days/Periods Absent:**
Chronic absenteeism will be documented, and we may need to refer the case to the Yavapai County Juvenile Probation Office for additional intervention.

While this policy is firm, our tone is grounded in care. We are committed to helping every student succeed. If your family is facing challenges impacting attendance, please reach out to us. We are here to work together and provide support.

Thank you,

Cathy Blair/Olivia Akin

School Dress Code

A quality education can only be provided in a safe and disciplined learning environment. At Acorn Montessori Charter School, we understand a student's need to express their individuality through their attire. However, students may not do so in a manner that is disruptive, distracting, or potentially dangerous in a classroom environment. Acorn provides opportunities for students to express themselves within the set of parameters listed below. Clothes and shoes should fit appropriately and not restrict movement or modesty.

Students and their parents/guardians have the responsibility to be aware of the school's specific dress code.

On campus, the faculty, staff, and administration have the responsibility to interpret and enforce this policy. The school is not responsible for the storage, inventory, or safekeeping of any confiscated item; this includes hats and electronic devices.

HEALTH AND ILLNESS POLICY

Acorn staff maintain the highest standards of cleanliness and sanitation. Teachers clean and sanitize toys, eating surfaces, and toileting and diapering areas regularly and according to licensing standards. Teachers and children follow proper and frequent hand washing procedures. Please arrange for a back-up person to care for your child when your child is sick. Staff will conduct a daily health check upon arrival and will not admit a child if symptoms of illness are present.

We ask that families not give fever reducing or pain medication to their child in the morning before bringing them. Generally, the medicine wears off and the child becomes uncomfortable during the day. This also may put other children and staff at risk for getting sick.

Please do not bring your child if he or she has any of the following symptoms. When symptoms appear while your child is in our program, parents must pick up their child within one hour of notification. ***Parents/Guardians are required to be available to answer phone calls, or return phone calls in a timely manner for the safety and health of the children.** Should your child exhibit any of the following symptoms, we may temporarily separate your child from other children to avoid the spread of a contagious illness. **24 hours means students may not return for a complete, full day following being sent home.**

FLU/COVID: Children positive for Flu/COVID may not return until 24 hours after fever and symptoms have subsided.

Fever: Children exhibiting fevers (100.4) will be sent home and may return once fever free for 24 hours.

Vomiting/Diarrhea: Your child may return 24 hours after all vomiting and diarrhea has subsided.

Rash: We will exclude your child with any unexplained rash, especially if there are open sores. A child may return when symptom free or there is a physician's statement that the condition is not contagious.

Eye discharge (or pink eye): Your child may return 24 hours after first antibacterial treatment has begun.

Head lice, scabies or other infestations: Your child may return 24 hours after treatment has begun. A physician's statement may be required to return in severe cases. In case of head lice, your child must not have live lice before returning.

Strep throat: Your child may return 24 hours after antibiotic treatment has begun.

Chicken pox: Your child may return after being fever free for 24 hours without the aid of medication and all sores have dried up and healed over.

Impetigo: Your child may return 24 hours after treatment has begun.

Hand, foot and mouth: Your child may return after being fever free for 24 hours without the aid of medication and *all sores have dried up and healed over.*

We exercise the right to exclude a child despite a physician's statement, if that statement contradicts school policies for all health-related issues. Acorn will post any communicable diseases and each classroom affected on the door to the classroom and kept in a binder in the front office.

Bullying Policy

What is bullying?

Bullying is any aggressive, intentional behavior carried out by a person or group repeatedly and over time against a victim who cannot easily defend himself or herself. Bullying requires an observed or perceived imbalance of power - such as physical strength, access to embarrassing information or popularity - between the bully and the victim.

There are several different types of bullying:

Verbal - teasing, name-calling, taunting and threatening.

Physical - hitting or kicking, tripping or pushing, spitting and taking the victim's property.

Relational - attempting to damage the victim's relationships or reputation by excluding, spreading rumors or defamation.

Cyberbullying - any act of bullying that uses electronic technology or communication devices, including social networking sites and other Internet communications, that occurs on school property or at a school-sponsored event; interferes with a student's education; threatens the educational environment; or disrupts the school. Examples of cyberbullying include sending mean text messages or emails or posting embarrassing pictures or videos.

It is not bullying when...

- Two students of similar age, strength and size fight or quarrel with each other.
- A student provokes another into a verbal or physical confrontation.
- A student acts aggressively toward another student in the absence of an imbalance of power.
- A teacher or administrator responds to a student's misconduct with appropriate disciplinary action.
- A teacher or administrator responds to a student's poor performance with appropriate criticism.

If you are bullied ...

- Take a stand. Tell the bully to **stop**.
- Report the bullying **immediately**. Tell your parent, teacher, counselor, advisor or principal.
- **Use words**, not physical aggression.
- **Have confidence**. Be proud of yourself.
- **Do not show anger or fear**.
- **Do not share your personal information or passwords with others**.

CHILDREN FIRST, ALWAYS

If you witness bullying ...

- **Take a stand.** If someone is getting bullied or harassed, be ready to intervene with a non violent approach. Try redirecting or distracting the bully by saying, "Stop! Don't bother him!"
- **Don't participate.** Bullies like to get attention. If they invite you to participate, don't join in. Tell them "no" and go get help.
- **Report bullying.** The best defense against a bully is to report the incident to an adult.
- **Be a friend.** Offer help to the person who was bullied. Encourage him or her to talk to an adult. Invite that person to join your group of friend.

Principal will determine appropriate consequences based on the student's developmental age, presence of disability, frequency and severity. Some of the consequences are, but are not limited to:

- Conference with student
- Parent contact by administration
- Time in alternate location
- Community service
- Loss of privileges
- Referral sent home

Suspension is not used as the primary consequence and will only be considered in cases with extreme frequency and severity.

We don't punish for the sake of punishment.
We discipline in love.*

Dear Parent/Guardian,

The use of cell phones at school is unacceptable and hinders the educational environment. The purpose of this letter is to provide clarification on how all cell phone use during school hours will be handled moving forward. Please review the following with your student and sign at the bottom to acknowledge your understanding:

- All cell phones must be turned off and placed in the cell phone holder at the beginning of the school day.
- If a student is caught with a cell phone, the phone will be confiscated and held in the front office until the end of the day.
- Every following offense will result in the cell phone being confiscated and a parent will have to come after school to retrieve the cellphone. The phone must be picked up between the hours of 3:00 p.m. and 4:00 p.m.

Please understand that this policy is put into place for the protection of all students and no exceptions will be made.
